

MAIN DECK

The Main Deck hosts both the dining area, with sweeping views of the islands, and the briefing area where daily talks are held about the activities that guests will be able to enjoy the following day. There are also two spacious staterooms and 2 large master suites, each offering over 460 ft² (43 m²) of space and roomy private balconies. The main deck also hosts a spacious disembarking platform where guests board and disembark from the vessel, and where delicious post-exploration snacks and drinks are served.
